Reporting Type:

Line Item

Brand/trade name:

Detroit Diesel Corporation and Allison Transmissions

Price:

See attached price list

Terms:

Net 30 days

Effective dates:

07/11/07 through 07/11/09

Renewal options remaining:

3 one-year renewals

Days required for delivery:

10 days

Price guarantee period:

All rates, fees, charges, and discounts off parts lists are firm for one year from the start date of the contract.

Allison transmission parts prices are firm until Allison issues a new OE parts list which is expected to be in January of each year unless Allison changes current timing.

Detroit Diesel issues new parts lists throughout the year. Pricing for segments of their product line may change at different times of the year. Price changes for product-line segments are firm for one year after each change.

Minimum order:

One Unit

Other conditions:

Contract potentially renewable until 7/11/2012

**This is a new contract**

Bid No. GL7087

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor creating a DO in Finet. Agencies will return to the vendor any invoice which reflects incorrect pricing.

**Catalogs**

For a copy of the current price lists please contact the vendor.
